Access Mobile

Your Message On the Move

Access Mobile offers mobile billboards are dual-sided, 20'x10' billboard space!

Access Mobile Billboards are white, clean and the only signage is yours!

Access Mobile gives you the creative size of stationary billboards, the higher retention value of mobile boards and the flexibility to take your message directly to your customers.

Access Mobile billboard trucks are backlit, providing spectacular nighttime viewing capability.

Access Mobile billboard trucks are equipped with sophisticated global-positioning satellite receivers that provide precise tracking information for each billboard showing. Detailed reports are available to show exactly when and where we traveled, throughout your billing cycle.
